STEP 6

Your rapid! Paycard should now be successfully activated, and you will receive a welcome email with login information. Go to your email and recover your temporary password.

Hi xxxxxxxxxx,

Welcome to rapid! Pay!!
Please visit <https://apps.apple.com/in/app/rapid-pay/id1525258535> to complete your profile. You will be asked for a temporary password, which is **Temppassword**, and your username is the email where you received this. You will be required to select a new password after you log in to <https://apps.apple.com/in/app/rapid-pay/id1525258535> with your temporary password

Congratulations! You are now able to receive your funds where you want and how you want!

STEP 7

Add the temporary password to the current password section. Create a new password, using the information below. Confirm the password and click update password.

Update Password

Please update your password to continue

- Must be between 8-12 characters
- Must contain upper and lowercase letters
- Must contain one number
- Must contain one of these special characters: !@%&?* *
- Passwords match
